

## About RotherFed

RotherFed is an independent organisation representing and supporting tenants and resident groups throughout Rotherham. The Federation helps new and existing groups around the borough with the campaigning skills, the resources, the independent advice and support to make such groups effective.

## More Help

If you would like more information or help starting up a TARA please phone our office on 01709 822258 or e-mail

Tenants and Resource Centre  
Eastwood Depot  
Chesterton Road

## Supporting Tenants and Residents Associations

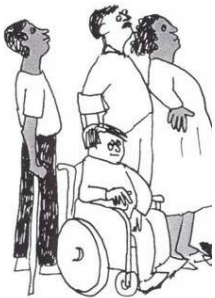

01709 822258

## Helping TARAs

Rotherham Federation of Tenants and Residents (RotherFed) can provide help and support for anyone interested in or wishing to set up a tenants and residents association (TARA) in their local community. RotherFed will help you get started, from organising your first meeting to providing a range of services and

support once the group gets up and running.

### What are TARAs

TARAs are defined as “a group of people living in an area, block or street who have come together to take up issues of common concern in relation to their housing, community and general environment”. They are independent organisations run by and for local tenants and residents.

### Support Available

There are many types of support available from RotherFed once a TARA is up and running. Such help can include:

- a free stationery pack for your secretary
- a £200 start-up grant to help the group get up and going

- a free examination of your accounts at the end of the first year
- free public liability insurance
- criminal record bureau checks for your members.

TARAs also get the opportunity to network and meet with other tenants and residents associations and receive free one to one support and training.
